GROOMING DAYS :

Tuesdays, Thursdays & Fridays

Certain breeds should not be clipped or shaved down. These breeds include Labs, Golden Retrievers, Huskies, Jack Russell Terriers, German Shepherds, Rottweilers, Corgis, and many other breeds which have coats that protect them from the elements.

We use shampoos and conditioners that are hypo allergenic which have little or no scent. We also use a Botanical shampoo and conditioner which does have a scent.

If your dog has allergies, we have shampoos and conditioners that soothes the skin which helps to reduce his or her itching and scratching .
